- Orange Street School**
J. S. Spivey.....*Principal*

OTHER OFFICERS

- DAISY G. COLES**.....*Directress, New Dormitory*
Myers Street School. Began service July, 1952.
- JESSIE B. DIXON**.....*Dormitory Directress*
Diploma, Barber-Scotia; Hampton Institute; A.B., Johnson C. Smith University. Began service January, 1953.

- ALICE C. EVANS..... *Clerk-Typist*
New York University. Began service September, 1950.
- LILA H. FLOWERS..... *Resident Nurse*
R.N., St. Agnes Hospital, Raleigh, N. C. Began service September, 1948.
- WILLIE M. GANNAWAY..... *Directress, Bickett Hall*
Barber Memorial Seminary. Began service October, 1948.
- LILA L. HARPER..... *Bookkeeper, Business Office*
B.S.C., North Carolina College at Durham. Began service September, 1939.
- MARY R. HIGHTOWER..... *Assistant Librarian*
B.S., Fayetteville State Teachers College. Began service October, 1951.
- NAOMI S. HUBERT..... *Directress, Harris Hall*
Normal Diploma in Domestic Science, National Trade and Professional School, Washington, D. C. Began service September, 1952.
- BRONETTA H. JAMES..... *Assistant Librarian*
B.S., Fayetteville State Teachers College. Began service January, 1940.
- MILDRED S. JOHNSON..... *Assistant Budget Officer*
Certificate, Metropolitan School of Business, Los Angeles, California; Certificate Southwestern University. Began service August, 1950.
- MILDRED P. JONES..... *Assistant Librarian*
A.B., Virginia State College; B.S. in Library Science, North Carolina College at Durham; M.S. in Library Science, Catholic University of America. Began service September, 1952.
- LOUVENIA LEWIS..... *Assistant Dietitian*
B.S., Tuskegee Institute. Began service August, 1953.
- *HELEN H. MELVIN..... *Clerk-Typist*
B.S., Bennett College. Began service August, 1953.
- *PEGGY A. MONTAGUE..... *Clerk-Typist*
Certificate, Cortez Peters Business School, Washington, D. C. Began service April, 1955.
- BETTIE E. PERSON..... *Clerk, Records Office*
Shaw University; Diploma, Payne's Business and Secretarial School, Raleigh, N. C. Began service March, 1954.
- NINA G. RICHARDSON..... *Directress, Joyner Hall*
B.S., Elizabeth City State Teachers College. Began service August, 1953.
- ETHEL L. TAYLOR..... *Secretary to President*
B.S.C., North Carolina College at Durham. Began service October, 1945.

COMMITTEES

ALUMNI RELATIONS—Lafayette Parker, *Chairman*; Thelma B. Avent; Amy McM. Gerald; Eloise Haith; Juanita E. Coley. Student representatives: Marian Porter; Edwin Manning.

TESTING—Howard S. Smith, *Chairman*; Edward W. Hargrave; Lorena C. Carter; Rudolph Jones; Rora B. Smith; Arthur A. George; Lloyd T. Blatch. Student representatives: Pearl Everette; Charles Allen.

GENERAL INFORMATION

HISTORICAL SKETCH

Fayetteville State Teachers College is the oldest Teacher Education institution established in North Carolina. Founded in 1867 through the philanthropy of seven Negro citizens and General O. O. Howard of the Freedmen's Bureau, the school was known originally as the Howard School. Attracting statewide attention largely through the leadership of its first principal, Robert Harris, the school was subsequently headed by Charles W. Chestnutt, the distinguished writer. Later, Dr. Ezekiel Ezra Smith was chosen to head the institution, known by this time as the State Normal School at Fayetteville. With two interruptions, once when called to serve as Minister Resident and Consul-General of the U. S. to Liberia, and again when he served as Adjutant of the 3rd North Carolina Volunteer Infantry, Dr. Smith served as President of the institution for fifty years. In these absences the institution was headed respectively by George H. Williams and by R. E. Fairley.

In 1933 upon the retirement of Dr. Smith, J. Ward Seabrook, Dean, was appointed to the Presidency. In 1939 the State Legislature changed the name of the institution to the Fayetteville State Teachers College and authorized it to prepare elementary teachers and principals for the state of North Carolina.

OBJECTIVES AND SCOPE OF FAYETTEVILLE STATE TEACHERS COLLEGE

Fayetteville State Teachers College offers a course of study for persons interested in becoming elementary teachers in the State of North Carolina. Apart from this objective, it is assumed that persons who are interested in fields other than teaching or for reasons of self improvement, may also benefit from study at the institution. The four year curriculum of the college leads to the Bachelor's degree, and to the grammar or primary grade "A" North Carolina Teacher's certificate.

The philosophy underlying the experiences of students at the Fayetteville State Teachers College points to the following objectives:

1. Good citizenship.
2. Adequate specialization in the field of elementary education.
3. Competence in teaching skills.
4. Desirable professional attitudes.
5. Development to the height of individual ability.
6. An adequate understanding of children.
7. Skill in the communication of ideas.
8. An adequate knowledge of contemporary life.
9. A sound understanding of the role of the teacher and school in society.
10. A well developed and integrated sense of values.

For the realization of these objectives the following four-fold approach is utilized by the college:

1. A basic general education program.
2. A specialized professional education program.
3. Professionally directed learning experiences outside of the classroom.
4. A total environment conducive to the development of moral responsibility, health, self-reliance, emotional stability, knowledge and aesthetic appreciation.

BUILDINGS AND GROUNDS

AYCOCK HALL, which was the main administration building before the erection of the more commodious Smith Administration Building, is a two-story brick structure with five classrooms. It was erected in 1908, and is the oldest brick building on the campus.

BICKETT HALL, for young women, was erected in 1922. It is of brick structure with two stories and basement. The interior of this building was completely renovated and modernized during the 1951-1952 school year.

CHESNUTT LIBRARY was completed July 15, 1937. It houses stack rooms, conference rooms, and librarian's office. During the year 1941 the Library was enlarged. This addition provided space for books purchased through the generous gift of the Carnegie Corporation of New York. It was enlarged again during the school year 1951-52.

COLLEGE AUDITORIUM was completed during the 1952-53 school year at a cost of \$285,000. This building is one of the largest and best equipped of its kind in the state. It has a seating capacity of 1230, and contains special rooms for dramatics and music classes.

COOK DINING HALL, a brick building with kitchen, storeroom, and a refrigeration plant as well as the dining hall proper, was completed in 1923. The dining hall is capable of seating approximately 500 persons. The pantry and serving rooms of the dining hall were enlarged during 1941. The building was completely renovated and converted to cafeteria service during the school year 1951-52.

HARRIS HALL, a dormitory for young women, was completed in June, 1938. It is a building of two and one-half stories with splendid modern appointments. It furnishes living accommodations for more than 100 young women.

HOOD HALL, a dormitory for men, was completed and opened for use in September, 1939. The building affords comfortable modern living accommodations for 96 young men and in addition has five rooms with private bath for faculty members and guests, an infirmary, and a large foyer.

INDUSTRIAL ARTS BUILDING, erected in 1923, is a two-story brick building equipped for instruction and laboratory work in manual training and shop work. The building was renovated and enlarged in 1954-55.

INFIRMARY—A new well-equipped infirmary has just been completed on the campus.

JOYNER HALL, a dormitory for young women, was erected in 1930. It is a well-appointed brick building of two stories and a ground floor and is equipped with modern conveniences. It furnishes living accommodations for approximately 100 young women.

LAUNDRY, completed in 1923. It is equipped with machinery operated by steam and by electricity. This building was enlarged during the summer of 1941. A project to renovate the building throughout and to install new equipment was completed during the school year 1953-54.

LILLY GYMNASIUM, completed in 1938, is considered one of the best structures of its kind in the State. It is equipped with offices, shower, and toilet facilities for men and for women. In the gymnasium proper are folding bleachers, a balcony, and a large stage.

MEN'S DORMITORY—A new men's dormitory that will accommodate 56 men will be ready for occupancy by September 1955.

NEW DORMITORY for young women was completed during the 1952-53 school year at a cost of \$227,000. It is a fireproof structure and modern in every respect.

NEWBOLD LABORATORY SCHOOL, a modern brick structure, erected in 1930, houses sixteen classrooms, six practice rooms, a cafeteria, a library, a teachers' rest room, a nurses' room, and an auditorium-gymnasium. Approximately 700 elementary school children are enrolled in the classes and it serves as the laboratory or practice school for student teachers in the College. Through a Federal Grant of \$29,000, four rooms were added to the Newbold Laboratory School in order to accommodate children of the local defense area.

SMITH ADMINISTRATION BUILDING, erected in 1922, was completely renovated during the school year 1952-53. It contains the administrative offices, a number of classrooms and offices and the post office. It is constructed of brick and consists of two stories and a ground floor which houses a recently renovated canteen and a recreation room operated by the Young Women's Christian Association.

SMITH ATHLETIC FIELD was built on a site of $7\frac{1}{4}$ acres adjacent to the campus. The site was donated by the late Mrs. Nannie L. Smith, widow of the late president of the Institution. It is hoped that a stadium may be erected on this site in the near future. The field has a grandstand, bleachers, and equipment for football, baseball, and track practice and competitions. Plans are complete for providing a complete system of lighting for the stadium and for installing grandstands.

SMITH MONUMENT. A monument erected to the memory of Dr. E. E. Smith stands in front of the library. Completed in 1938 this monument was the result of a project sponsored by the Alumni Association and made possible through funds contributed by friends of Dr. Smith and of the Institution.

TAYLOR SCIENCE HALL was completed and opened for use in September, 1939. This building is a modern brick structure with general classrooms, a large lecture room, and laboratory facilities for work in the biological and physical sciences, and in the household arts.

VANCE HALL, a recently-renovated brick building of two stories and a ground floor, contains modern living accommodations for faculty members. It was erected in 1910 and was formerly used as a dormitory for students.

In addition to the brick buildings already described, there are the President's residence, and four teachers cottages, all of frame construction but attractively and modernly equipped. The President's home was erected in 1923. The teachers' cottages were erected in 1923, 1938 and 1941 respectively.

The total value of the plant is now over $2\frac{1}{2}$ million dollars.

ADVANTAGES IN ATTENDING FAYETTEVILLE STATE TEACHERS COLLEGE

There are several advantages in attending the Fayetteville State Teachers College. First of all, the institution is fully accredited so that work of high quality is accepted at the leading graduate schools in the country. At Fayetteville the emphasis falls upon teaching at the elementary level, an area which requires incomparably more teachers than does the high school area, but which offers the same remuneration. Again, the assortment of student organizations and the total college environment provide an atmosphere conducive to wholesome and purposeful living.

SELF-HELP OPPORTUNITIES

The low rate of fees and other expenses and the size of the appropriation from the legislature prevent the Fayetteville State Teachers College from offering scholarships or free tuition. A few work positions which grant a reduction in board and lodging are given to worthy students.

These positions are given only to students of proved ability, industry, and character. If these students do not maintain high efficiency in their school work, the aid is given to others more deserving.

From time to time opportunities arise for students to earn money at occasional or permanent work with families or business concerns in the city. Students whose character and industry are known are favored for these positions.

New students are not encouraged to come to Fayetteville with the expectation of earning all or even a considerable portion of their expenses through work either on the campus or in the city, unless assurance of such aid has been given them in advance.

WHAT TO BRING

Students (and faculty members living on the campus) must furnish their own bedding, hence should bring with them quilts, blankets, at least four sheets, spreads, pillows and pillowcases. They should also bring curtains, bureau scarfs and other articles necessary to beautify their rooms. In addition, students should bring rubbers, galoshes, raincoats, umbrellas, shower caps, shower shoes, and laundry bag. Each article and all clothing should indicate the student's name in indelible ink.

TEXTBOOKS

Students are expected to own textbooks and to purchase them at the beginning of each quarter. *The prompt purchase of textbooks may help to prevent unsatisfactory class work.* The books may be purchased at the institution at an approximate cost of from fifteen to twenty-five dollars per quarter. *In addition, every student should own a dictionary.*

STUDENT LIFE AND ACTIVITIES

GENERAL STATEMENT

The College encourages all students to participate in some one or more extra-curricular activities. Since the primary concern of the institution is with the student's maintenance of proficiency in the various academic fields, however, students who are placed on scholastic probation, or who otherwise have poor academic records are discouraged from such participation.

GUIDANCE SERVICES

The College is aware of the responsibility it has for meeting the needs of the students. The counseling and guidance services are coordinated through the office of the Dean of Women and the Dean of Men.

Individual and group guidance are carried on by faculty advisors, dormitory directors, part-time faculty counselors, and student counselors. In addition, the Personnel and Guidance Committee, composed of staff members, seeks to promote wholesome and creative group living. Likewise, it serves as a unit to which various campus problems may be referred for study.

The Thursday noon hour is the time regularly set aside for campus-wide conferences with the students. However, the advisors, and Deans of Women and Men are available as need arises.

FRESHMEN ORIENTATION

Freshmen and new students are required to participate in an Orientation period each school year. The purpose of the Orientation program is three fold: (1) It aids the supervisory, administrative, and teaching personnel

of the College to become acquainted with the new members of the student group on a non-academic basis. (2) It provides the student an opportunity to observe and adjust to his environment, his teachers, the offerings and opportunities of the College. (3) It seeks to develop a wholesome relationship between upper classmen and new students.

A major part of the freshman guidance program is the Orientation Course, which is required of all freshmen and new students, and which is offered the entire year with 3 hours credit per year. The course, taught by the Dean of Women and selected members of the faculty, is designed to provide for the new students the necessary instruction and guidance in the problems of adjustment that courses in the regular subject matter do not cover. Here the student is aided in the development of correct study habits, proper use of the library facilities, awareness of social competencies, reading techniques, vocational guidance, occupational information, good citizenship, introduction to changing culture patterns through music and art and a way of life that meets the needs of modern College students.

RELIGIOUS ACTIVITIES

The religious activities of the college are non-sectarian.

The two student organizations—the Y.M.C.A. and the Y.W.C.A.—are factors in the development of Christian character and leadership. Through their varied programs the young men and women are aided in developing well-rounded personalities as a preparation for creative living.

Sunday School Services are held every Sunday morning. The Services are conducted by the students. They are designed to create an active interest in religious activities and to develop honest, reliable young men and young women.

Vesper Services are held periodically throughout the year. Speakers of renown are obtained for Vesper Services.

Assembly programs are held regularly on Monday and Friday of each week. Although these services may be the occasion of a wide variety of programs, they are sometimes devoted in part to religious service and to meditation.

Every year a week is set apart as Religious Emphasis Week during which a religious leader of experience and national repute is brought to the campus as a special speaker for regular chapel and evening services. Students also are given an opportunity to confer with the leader and discuss with him their spiritual problems.

SOCIAL ACTIVITIES

Under the supervision of the Social Committee, social gatherings are arranged from time to time at which students may mingle for a few hours of wholesome enjoyment. Certain organizations may also sponsor teas and other gatherings of informal, semi-formal or formal nature.

All social gatherings whether sponsored by the College or by some particular organization must be held on the campus under the direct supervision of the Social Committee. Ordinarily attendance at such gatherings is limited to persons connected with the College.

From time to time young women of the College, who have permission from their parents, may attend social affairs off-campus. Off-campus social affairs are chaperoned by members of the faculty.

ATHLETIC ACTIVITIES

The College is a member of the Central Intercollegiate Athletic Conference. Football, baseball, track and basketball are major sports at the college.

RECREATION

Recreation is an integral part of the educational program in the College. Through the Physical Education Department, a well-defined program of recreation and intramural sports is provided. Facilities for swimming are available to the students of the College at the city recreation park adjacent to the college campus. Each dormitory is provided with a well-equipped recreation room where students and faculty enjoy wholesome recreational activities.

HEALTH SERVICES

Through an integrated program of health instruction, health service, and a healthful environment, the College seeks to develop sound individual and group health habits.

Health services are available to the college family through the health service staff; treatment is provided for minor illnesses and minor injuries. A college infirmary is maintained for this purpose. A cooperative relationship exists between the college and hospitals in the community for the treatment of major injuries and illnesses. Consultative and guidance services are provided for the students in the office of the college nurse.

A physical examination conducted under the supervision of the college physician and nurse is required of each student at the beginning of the school year. The college physician and the college dentist are consulted as needs arise.

THE LIBRARY

The purposes of the College Library may be summarized as follows: To meet the interests and needs of students and faculty by maintaining an adequate and readily available supply of books, periodicals, reference materials, audio-visual aids and other necessary data related to the purposes and objectives of the institution's curricula and instructional program, as well as to provide such other materials as will stimulate and satisfy the several reading interests of students and faculty.

STUDENT ORGANIZATIONS

THE ALPHA KAPPA ALPHA SORORITY: The Delta Alpha Chapter of the Alpha Kappa Alpha Sorority received its charter in March 1952. The Sorority aims to stimulate the scholastic, moral, religious, and social life of the campus.

ALPHA KAPPA MU HONOR SCHOLARSHIP SOCIETY: Students in good standing and who have attained Junior or Senior classification with an over-all quality point average of 2.3, are eligible for election to the Rho Beta Chi Chapter of the Alpha Kappa Mu National Honor Society. Transfer students must be in residence for three quarters with a minimum of forty-five quarter hours of credit toward a degree at the Fayetteville State Teachers College in order to qualify.

ASSOCIATION FOR CHILDHOOD EDUCATION: The Fayetteville State Teachers College Branch of the Association for Childhood Education was organized in 1950. This organization is a student branch of the Association for Childhood Education International, which has as its purpose the working for education and well-being of children and giving active cooperation to all groups interested in improving the lot of children in home, school, and community.

CHARLES WADDELL CHESNUTT BOOK CLUB was organized to bring the resources of the library to the attention of the faculty, students, and citizens. The aims of the club are: (1) To offer a non-credit course in "Library Appreciation" for prospective student library assistants and prospective elementary teacher-librarians; and (2) to safeguard the resources of the library.

DAY-STUDENT ORGANIZATION: The Day-Student Organization is composed of students who do not live on the campus. It is devoted both to the enrichment of College life in general, and to the best interests of the off-campus students.

DELTA SIGMA THETA SORORITY: The Delta Xi Chapter of Delta Sigma Theta Sorority was established at the College in November 1952. The purpose of the sorority is to promote scholarship, culture, character, and human relationships.

DORMITORY ASSOCIATIONS: There has been instituted on the Campus a system of "Dormitory Associations" in each dormitory of the College. Through this channel every student who is a resident at the College has a share in the formulating, planning and operation of dormitory regulations in cooperation with the Deans of Men and Women, the Dormitory Directresses and the Student Life and Conduct Committee.

DRAMA GUILD is maintained for students who wish to develop their abilities in the arts of play production. Special emphasis is placed upon acting, directing and appreciation of dramatic literature. The College is represented through the Drama Guild in the following organizations: Inter-collegiate Drama Association and Southern Association of Dramatics and Speech Arts.

4-H CLUB was organized for the purpose of acquainting students with an organization with which they will work as teachers in rural communities and to give them practical information concerning health, sanitation, sewing, cooking, and recreation.

FUTURE TEACHERS OF AMERICA CLUB is composed of students who plan to follow teaching as a profession. It seeks to acquaint teachers in training with the history, ethics, and program of the teaching profession.

GILREATH SOCIETY: The membership of this organization is limited by vote of the members. It meets monthly to discuss topics of social, political and economic significance. The purpose of the Society is to stimulate interest in intelligent reading and discussion of contemporary problems.

PHI BETA SIGMA FRATERNITY—The Pi Chapter of the Phi Beta Sigma Fraternity was established at the College in 1954. The purpose of the fraternity is to help develop and translate into functional realities the ideals of brotherhood, service and scholarship and to promote the general welfare of all humanity.

OMEGA PSI PHI FRATERNITY: The Delta Gamma Chapter of the Omega Psi Phi Fraternity was chartered in May 1951. Each year the Fraternity provides a part-tuition scholarship for some deserving male student.

RED CROSS COLLEGE UNITS This organization is open to all interested men and women enrolled in the college. It operates within the regulations of the Institution but is a channel through which the community Red Cross Chapter services are extended to the College. First-aid, home nursing, and similar programs are some of the activities sponsored.

STUDENT GOVERNMENT: The Student Council represents the student body in a form of government which has partial oversight over student activity and student conduct on and off the campus. This oversight is extended to include student decorum, student discipline, and aspects of school policy. From time to time students offer suggestions for the improvement of the College, and in turn their advice is frequently sought on matters of College and community interest.

"THE VOICE" is a student publication which affords practice in journalism. The paper is edited and managed by students.

Varsity Club is made up of young men and women who have won letters in the major sports as players or as managers or trainers. Its object is to promote good sportsmanship and to stimulate interest in athletic activity.

VETERANS CLUB: This club is open to ex-service men and ex-service women of World War II who are in attendance at the College. Improvement of veterans and their life at the school is the aim.

WOMEN'S COLLEGIATE CLUB: This organization, open to all women students of the College, is designed to train for leadership, to maintain a close relationship between the College classes, and to promote events of social and cultural interest to the College and to the community.

YOUNG MEN'S CHRISTIAN ASSOCIATION: A companion organization to the Young Women's Christian Association, the Young Men's Christian Association seeks to inject the Christian spirit into the whole campus and community life. This organization emphasizes functional religion and seeks to achieve its ends through study, work and prayer.

YOUNG WOMEN'S CHRISTIAN ASSOCIATION: The Y. M. W. C. is represented at all important student conferences held in the Southern Region. The group is a member of the National Council of Young Women's Christian Association.

ZETA PHI BETA SORORITY: The Zeta Phi Beta Sorority was the second Greek Letter sorority to be established on the campus of the Fayetteville State Teachers College. Each year the sorority offers a scholarship to the freshman young lady who best exemplifies both scholarship and qualities of finer womanhood.

MUSICAL ORGANIZATIONS

THE COLLEGE CHOIR is composed of singers selected by the music staff. It receives weekly training in four-part singing. This group furnishes music for the vesper services and for special occasions on and off the campus.

LYCEUM ATTRACTIONS

An opportunity for the wise expenditure of leisure is afforded by the series of artist recitals sponsored each year by the college. Musical and dramatic performances are brought to the campus which improve the aesthetic tastes of the students and afford relaxation from the regular routine of work and study. Such artists as Marion Anderson, Dorothy Maynor, and Hazel Scott have been presented in recent years.

ALUMNI ASSOCIATION

The Alumni Association has recently launched a program designed to establish closer relations among its various branches and the General Association. The executive committee aims to perfect a strong general organization made up of active local units cooperating to achieve ends of benefit to the College and its graduates. In order to stimulate better work in the classroom the Association offers scholarships to students who prove themselves worthy according to qualifications suggested by the faculty and administration of the College.

OFFICERS OF THE ALUMNI ASSOCIATION

W. E. SMITH, <i>President</i>	Warsaw, North Carolina
CHARLIE BROWN, <i>Vice-President</i>	Tarboro, North Carolina
MRS. EUNICE FERGUSON, <i>Executive Secretary</i>	Lillington, North Carolina
MRS. ANNIE D. DRANE, <i>Corresponding Secretary</i>	Lillington, North Carolina
B. A. MCGEACHY, <i>Treasurer</i>	Fayetteville, North Carolina
LAFAYETTE PARKER, <i>Chairman, Executive Com.</i>	Fayetteville, North Carolina

Books, each year, approximately.....	60.00
Supplies, for year—Freshmen and Sophomores.....	15.00
Supplies, for year—Juniors and Seniors.....	25.00
Insurance.....	\$4.50 women; \$7.50 men

In addition, special penalties may be exacted for irregularities and violations, such as improper use of electric appliances, burning lights beyond the hour for extinguishing them, and damage to property and equipment.

Fees are subject to change by the Board of Trustees without prior notice as conditions may warrant.

It should be specially noted that the expenses listed above do not include money for textbooks and supplies (estimated at from \$15 to \$30 per quarter) or for purchase of material for home economics, industrial and fine arts, and physical education. Laboratory fees are not included for the science courses, industrial arts, fine arts, or home economics, or for special examinations.

Students who are not residents of North Carolina must pay an out-of-State tuition fee of \$65.00 a quarter, over and above in-State tuition fee of \$27.00 per quarter, or \$276.00 a school year, in compliance with an act of the State Legislature.

REFUNDS

Within ten days from date of entrance refunds of fees and charges will be made in proportion to the time spent at the College. However, registration fees are non-refundable after a student completes registration. Except for service fee, room and board and payments for ensuing quarters, no fees are refundable to a student withdrawing later than ten days from date of entrance. Students who withdraws from the college without notice to or permission of college authorities may forfeit all refunds. Room deposits are not refundable.

STUDENT LOAN FUND

To Seniors of good scholarship and in good standing otherwise, loans up to a maximum of \$150 are available from the Nannie L. Smith Memorial Student Loan Fund, a project of the Alumni Association.

The college has another student loan fund available to deserving upper-classmen.

PICKETT AND HATCHER EDUCATIONAL FUND

The late Mr. Claud A. Hatcher of Columbus, Georgia, created an educational loan fund for the purpose of aiding a large number of worthy students in securing courses in broad liberal college training. Loans are available for students of all classes. Limitations prevent loans being granted to students of law, medicine, and the ministry. Applications and requests for additional information should be addressed to Pickett and Hatcher Educational Fund, 215 First National Bank Building, Columbus, Georgia.

SCHOLARSHIP FUND

The Alumni Association has established a fund of \$50.00 per year to be awarded to the best all-around student graduating from an accredited high school in North Carolina who desires to enter Fayetteville State Teachers College. For further information write the President.

INFORMATION FOR PARENTS

Money for school expenses should be sent by money order or by cashier's checks made payable to FAYETTEVILLE STATE TEACHERS COLLEGE and addressed to the Business Manager. Do *NOT* send personal checks. Sending currency through the mail is not to be recommended but if it is done the letter should be registered. Receipts will be sent immediately for money paid on students' school expenses. Be sure to send the money to the school and not to the individual student.

All fees are due and payable in advance.

As there is no day set aside for registration for the second and third quarters, and since students are required to attend all of their classes, parents are urged to send registration payments early enough for students to register at least one day before the quarter begins.

Because of the high cost of food and other commodities, the school authorities are compelled to require prompt payment of all bills due the Institution. No appropriation is made by the Legislature to cover the food or housing of students, hence a student who is in arrears is in reality depending upon the students who pay.

No deduction in board is made for late entrance or absences of less than one week.

The buildings in which the students live are of brick construction and have all modern conveniences, including electric lights, steam heat and running water. Every effort is expended toward the end of making the dormitories comfortable and homelike.

Requests from parents for their children to come home on week-ends should be sent at least one week ahead and should be addressed to the Dean of Women, and *NOT* sent in a letter to the student. The school authorities do not favor frequent trips home at week-ends, as they disturb the efficient scholastic work and extra-curricular activities of the student. Absences from class preceding or following week-end trips will not be excused save in exceptional cases.

Both boarding and city students who plan to be married any time during their stay at the College, including summer vacation and holiday periods, must first secure the written permission of their parents or guardians, and present same to the President of the College prior to marriage. Moreover, students who get married during the school year *must* indicate same on all college records including registration cards. Any infraction of this regulation will result in disciplinary action.

All students must be examined by a physician selected by the school to determine the students' physical fitness. Additional examinations may be required at any time. The Medical Fee does not pay for hospitalization, treatment by a physician, or medicines obtained by prescription. It pays only for medical and physical examination at entrance, incidental drugs, use of the infirmary, and the services of the college nurse.

The College has on its staff a full-time graduate nurse, whose services are devoted to the health of the students.

ADMISSION OF STUDENTS

ADMISSION AS A FRESHMAN

Students interested in coming to Fayetteville State Teachers College should write to the President for information and application blanks. Since the College receives more applications than it can accept, inquiries should be made during the student's senior year in high school.

For admittance in September, the application should be received on or before July 15, preceding the September of desired entrance. Each applicant must be a graduate of a standard high school in North Carolina, or of a high school outside the State rated as equivalent, must be recommended by his or her former principal and two other community persons as a suitable candidate for the teaching profession, and must present evidence of having satisfactorily completed at least fifteen specific subject matter units of secondary work.

No application will be considered until transcript and recommendations have been received.

Applicants who are graduates of four year non-standard high schools may be admitted by examination.

With the exception of special cases, for which written permission is required, no freshman will be admitted at the beginning of the third quarter.

ADMISSION AS A SPECIAL STUDENT

Mature persons who are not interested in working toward a degree or who do not meet all of the entrance requirements may be admitted as special students.

Special students are permitted to select courses most beneficial for their immediate purpose. They may take any number of hours not in excess of a normal load.

A special student cannot become a candidate for a degree unless all deficiencies are removed and other requirements governing regular students are met.

ADMISSION TO ADVANCED STANDING

Students who have completed work elsewhere equivalent to that done in the Freshman Class at this institution are admitted into the Sophomore Class. The same principle operates for admission into the other classes. Cases in which the work is only approximately equivalent requires the making-up of deficiencies in summer school. Six six-week summer sessions are considered equal to the work of one scholastic year, provided the proper subjects have been completed.

A student transferring from another college must submit in advance to the Registrar a complete transcript of all credits earned in order that they

may be evaluated and the student informed of requirements to be met at Fayetteville. In addition to the transcript, the student must present an official recommendation to indicate that he left the college previously attended in good standing.

REGISTRATION

1. All students must register in person.
2. A physical examination is a part of the registration process and must be taken by all students.
3. The Registrar and the advisor assist the student in the selection of his courses. The student, however, is held responsible for taking courses in the proper sequence.
4. Students are urged to register at the time designated in the school calendar. Failure to do so will result in a penalty.

CHANGE OF REGISTRATION

All changes of registration must be made through the Dean's office. No change is permitted after the third meeting of a 3 hour course and the second meeting of a 2 or 1 hour course from the close of the registration period. A fee of \$1.00 will be charged for the second change.

All students are required to follow the schedule outlined on their registration cards. Any student who drops a course without permission from the Dean and Registrar will receive a grade of "E" in the course. Any student who takes a course in which he is not properly registered will receive no credit in the course.

NORMAL LOAD

All students shall be expected to take a normal load with the exception of students with high scholastic records who may be eligible for acceleration, and veterans without deficiencies. Students with deficiencies may not be permitted to take a normal load. A normal load consists of 15 to 18 credit hours of work per quarter with the exception of certain students engaged in student teaching when the normal load may be 12 credit hours of work.

ACADEMIC REGULATIONS

GRADING SYSTEM

A five-point grading system is used: A, B, C, D, and E. Explanation of the grades follows:

- A, Excellent scholarship.
- B, Good scholarship.
- C, Fair scholarship.
- D, Poor scholarship.
- E, Failure.

Other symbols used in the grading system are: I, X, Dr. and Wr.

The "I" indicates incomplete. It is given to a student who has not completed the work of a course. *All "I's" must be removed during the quarter following the one in which they are given if the student is in residence.* In no case may an "I" be removed later than one year from the date it is placed on the record. If "I's" are not removed by the time stipulated, they automatically become "E's." "X" indicates that the student was absent from the examination for a legitimate reason. The regulation concerning I's governs X's. "Dr." indicates that the student dropped the course with permission. "Wr.." indicates that the student withdrew from the institution.

CREDITS

One quarter hour of credit normally represents a class meeting one fifty minute period a week for 12 weeks, or the equivalent.

Certain art, music, physical education, and laboratory courses yield one quarter hour of credit for a class meeting two fifty-minute periods a week for 12 weeks, or the equivalent.

Students who sing in the College Choir may receive one hour of credit per quarter.

Technicians and those who have a major role in the Drama Guild productions may receive one hour credit. Helpers to technicians and those in supporting roles may receive one-half hour credit.

One quarter hour is evaluated as equivalent to two-thirds of a semester hour.

QUALITY POINTS

For determining scholarship and awarding honors the following system of point values is used: A, 3 points for each quarter hour of credit; B, 2; C, 1; D, 0; E, minus 1. The academic grades required for graduation must yield at least 195 quality points.

CLASSIFICATION OF STUDENTS

The following minimum credits are required for the classification indicated:

Freshmen.....	0-48 quarter hours	0-48 quality points
Sophomore.....	49 quarter hours	49 quality points
Junior.....	99 quarter hours	99 quality points
Senior.....	152 quarter hours	152 quality points

SCHOLASTIC PROBATION

For students other than Freshmen (to whom these regulations apply only at the end of the year) when the quality points per quarter fall below one-half of the hours, the student is placed on scholastic probation the following quarter with a reduced load. At such time, however, if the student becomes deficient in one-fourth (25%) or more in the number of hours required for normal progress and one-half (50%) or more in the number of quality points likewise needed, he shall be requested to withdraw for poor scholarship. He shall be required to remain away one quarter, at the end of which he may apply for re-admission. Any student dropped for scholarship twice shall not re-enter the college. Any student whose total scholastic average evidences 1/5 D's or lower is ineligible for graduation.

DEAN'S LIST

At the beginning of each quarter, the names of students who during the previous quarter earned a grade point average of 2.0 or better are published on the "Dean's Honor List". In order to qualify for the Dean's List, however, a student must be in good standing, must earn no D's, and must carry a minimum of 12 quarter hours of work. Students who qualify for the honor roll may carry extra courses with the consent of the Dean of the College.

ATTENDANCE

Students are expected to attend all Classes, Assemblies, Vespers and Chapel.

Attendance at all classes and chapel is mandatory. No credit may be received for any course in which the student fails to attend 3/4's of the num-

ber of hours the class meets. At such time as the student is absent $\frac{1}{4}$ of the scheduled class meetings he is automatically dropped from the course and may receive no credit. Students who are absent from a class more than two weeks during the quarter may not secure credit in that course for the quarter. Exceptions are made to this only if there are extenuating circumstances and the student demonstrates to the instructor that he has made up adequately the lost time. Absences for any reason, up to the maximum for which credit may be received may result in the proportionate loss of quality points.

When a student incurs three or more successive absences in any class the instructor will warn the student and notify the Records Office.

The penalty for "cutting" shall be as follows: For each three absences (except for reasons allowed as *established* and adequate), one quality point will be deducted from the student's total number of quality points. The penalty, however, shall not exceed the number of points that would have been obtained had the student earned a "C" in the course in question or a "C" average when the penalty is applied to all of his courses. Students who drop a course after three weeks or drop from school without permission will receive a grade of "E" in that course.

No student is permitted to withdraw from school unless he has secured permission from the President, Dean of Women or Dean of Men and has notified the Records Office and the Business Office. Justifiable reasons should be presented in writing to the proper authorities and the action must be initiated by the student. It is highly important for each student to keep an accurate account of his absences and check with his instructors in case of doubt.

Attendance is counted from the first day the course starts. Students who are late registering are to be counted as absent, but are excused under extenuating circumstances.

The college reserves the right to request the withdrawal of any student whose general attitude, moral or social behavior is considered unsatisfactory by the administration, even though no specific charge is made against the individual concerned.

EXAMINATIONS

Final examinations in all subjects are scheduled at the close of each quarter. All students are required to be present at the hour the final examination is scheduled.

The grade of X is given only to students absent from the final examination for an approved reason. *Students absent from the final examination for reasons officially approved will take deferred examination when announced.*

Special make-up examinations for the removal of X's and I's are announced each quarter. A fee of one dollar is charged those who wish to take these examinations. Students incurring these temporary or conditional grades must remove them at the first opportunity during their subsequent residence; otherwise the grade will automatically become a failure.

In addition to the statement on Examinations above all students will be required to pass successfully the following:

1. Psychological Test for entering Freshmen
2. English proficiency test for Freshmen
3. Tests for mathematics, spelling, handwriting.

JUNIOR COLLEGE OFFERINGS

The first two years of the college offerings consist mainly of subjects which are similar to, or identical with the courses offered in liberal arts colleges. The professional or specialized offerings in the field of Teacher Education occur

chiefly in the Junior and Senior years. As a result, it is quite practical for students who desire to prepare for fields other than teaching to transfer at the end of the Sophomore year to another type of institution.

STUDENT TEACHING REQUIREMENTS

The candidate for student teaching must have senior classification and have at least one quarter's residence at Fayetteville State Teachers College. In addition to the residence requirements he must have the following prerequisites:

1. 152 quarter hours and 152 quality points.
 2. 9 quarter hours must be in English Composition; 6 quarter hours in Advanced Composition; 3 quarter hours in Speech; 3 quarter hours in Children's Literature; 3 quarter hours English Grammar.
 3. Following course requirements with at least a grade of "C":
Methods of Teaching in Primary or Grammar Grades
Introduction to Education
Educational Psychology
Child Develop., 2 quarters
Tests and Measurements
Curriculum Development
 4. Standard tests must be passed in the following areas:
 - a. Arithmetic
 - b. Spelling
 - c. Writing
-

GRADUATION WITH HONORS

The degree of Bachelor of Science is awarded in three grades, namely, *Cum Laude*, *Magna Cum Laude*, and *Summa Cum Laude*.

Cum Laude shall be conferred on the basis of a minimum total average of 2.20 quality points with no grade below "C" in any course, and by vote of the faculty.

Magna Cum Laude shall be conferred on the basis of a minimum total average of 2.5 quality points with no grade below "C" in any course, and by vote of the faculty.

Summa Cum Laude shall be conferred on the basis of a minimum total average of 2.8 quality points with no grade below "C" in any course, and by vote of the faculty. The student must have spent three years in residence at Fayetteville.

To qualify for honors in either of the three grades, the student must have completed a minimum of 90 quarter hours of credit of high quality at the College.

GRADUATION REQUIREMENTS

A graduate of Fayetteville State Teachers College should have accomplished the following objectives:

1. The establishment of an understanding of the general program of public education in America with special reference to the North Carolina system, together with an awareness of the competencies needed for success in teaching.

2. An understanding of human growth and development, the learning and socialization processes together with actual contact with children.
3. A thorough understanding of school organization, school administration, and the roles of the school and teacher in society together with the development of a functional philosophy of education.
4. Accomplishment of actual teaching experience in the classroom in a variety of situations together with experience in the fields of guidance, measurement, audio-visual aids, extra-curricular activities and administrative functions.
5. Study of problems met by students in their student teaching experiences together with a study of problems commonly found in the actual teaching experiences—i.e. teaching of remedial subjects, work with exceptional children, curriculum materials, etc.

A graduate of the college who has fulfilled the above requirements and has completed the academic requirements inclusive of student teaching is eligible for a State Certificate to teach in the public schools of North Carolina. Candidates for graduation who desire to follow teaching as a career must have completed the requirements for certification.

1. Total credit requirement. The candidate must have at least 195 quarter hours and 195 quality points and a 1 point overall average.

2. Distribution of Courses:

A. Education:

The Pupil

Child Development	6 Quarter Hours
Educational Psychology	3 Quarter Hours
	9 Quarter Hours

The School

Orientation	3 Quarter Hours
Introduction to Education.....	3 Quarter Hours
Curriculum Development	3 Quarter Hours
Tests and Measurements.....	3 Quarter Hours

or	
*Physical Education Skills (men)	6 Quarter Hours

6 Quarter Hours

I. Electives 24 Quarter Hours

GRAND TOTAL 195 Quarter Hours

*Ph. Ed. Skills (men) may be taken in lieu of Industrial Arts.

DIPLOMA AND CERTIFICATE

Upon graduation from the four-year curriculum the student will receive the degree of Bachelor of Science. In addition, the State Department of Public Instruction will issue to the graduate who has met the requirements, either the Grammar GGrade A or Primary A Teaching Certificate, in accordance with the particular curriculum completed.

A certificate for teaching in the schools of North Carolina will be issued only to those applicants who are 18 years of age or over.

COMMENCEMENT

Commencement exercises are held at the close of each school year, at which time degrees and certificates are awarded officially to all graduates who have completed their requirements at any time since the preceding Commencement.

PLACEMENT OF GRADUATES

The placement of graduates is in the hands of a part time placement officer and a committee composed of the President, the Dean, the Registrar, and the Secretary to the President. Both the scholastic and the personnel records of the graduates are used as guides in recommending candidates for positions. A list of candidates together with a statement of their traits and abilities is mailed to prospective employers annually.

School officials who employ the graduates are sent a form on which to rate these graduates. It is requested that this form be returned to the college for the purpose of aiding in the revision of the professional program. In addition, informal visits to recent graduates are made by members of the college faculty.

1952-1953 PRIZES AND AWARDS

The E. E. Smith and Nannie Goode Smith Memorial Award for excellence in Scholarship in the Graduating Class to Georgianna Granger.

The George H. Williams Memorial Award for Superior Scholarship in the Graduating Class to Emm McKinnon.

The Mary E. Perry Memorial Award for Excellence in Music to Rachel Baker.

The Esther McNeill Jefferson Memorial Award for Superior Scholarship in the Freshman Class to Maxine Elizabeth Ramseur.

The Edward Evans and Sallie Evans Memorial Award for Good Citizenship to Georgianna Granger.

The James DeCosta Raiford Memorial Award for Excellence in Rural Student Teaching Given by Mrs. Ethel Mumford Raiford to Brenda Elliott.

The Women's Collegiate Club Award to the Outstanding Female Athlete in Graduating Class to Katie Dargan.

The Mayme Worsham Seabrook Memorial Award for Excellence in Home Economics to Mildred V. McIntyre.

The June Cotton Boutte Memorial Award: 1. For Excellence in Courses in Education Accompanied by Superior Womanly Qualities to Georgianna Granger. 2. To the member of the Young Women's Christian Association Who Best Combines Activity in the Organization with Helpful Christian Influence to Edna Spearman.

The Mrs. George McNeill Award On Behalf of the Colonial Dames of America To the Student Writing the Best Essay on "High Points of Lectures and Addresses given at Fayetteville State Teachers College during the College Year 1952-1953" to Ezekiel Montgomery Thaggard, Jr.

The Epsilon Rho Lambda Chapter of Alpha Phi Alpha Fraternity, Inc. Scholarship Awards to Edwin Manning, Johnnie Noble.

The Benjamin G. Brawley Award for Excellence in Study of Sophomore Literature to Ezekiel Montgomery Thaggard, Jr.

The Delta Gamma Chapter of Omega Psi Phi Fraternity, Inc. Scholarship Award to Richard Thompson.

The Gamma Upsilon Zeta Chapter of Zeta Beta Sorority, Inc., Elizabeth-town, N. C., Scholarship Award to Annie Carraway.

The Jewel Box Award for the Most Outstanding Athlete to James Kenneth Slade.

The Delta Sigma Theta Sorority Scholarship Award To the Most Deserving Young Woman in the Class of 1956 Who Exemplifies to a High Degree the Qualities of Scholarship, Personality and Character to Eliza Bullock.

The Omega Beta Chapter of Zeta Phi Beta Sorority, Inc. Freshman Scholarship Award to Willie Jane Carter.

1953-1954 PRIZES AND AWARDS

DESCRIPTION OF COURSES

Courses numbered one hundred are freshman courses; two hundred are sophomore courses; three hundred are junior courses; four hundred are senior courses. The third numeral in the number indicates the quarter in which the course is offered.

Courses designated as *Elective* may be offered any quarter if demand for them from qualified students is sufficient.

Course credit is computed on a basis of *quarter* hours for regular session courses and *semester* hours for summer school and extension courses. The credit hours given with the courses listed below are *quarter* hours.

EDUCATION AND PSYCHOLOGY

Educ. 101. *Orientation.* This course is designed to aid the student in self-direction and self-discovery, with a special emphasis upon the student's adjustment to college work and environment. It is organized (1) to acquaint the student with the history, policies and traditions of the institution; (2) to deal with such problems as the budgeting of time, the developing of effective study habits, the preparation required for teacher education; and (3) to make the student aware of the importance of personal development and its relationship to human relations. One hour a week. Credit: 1 hour a quarter.

Educ. 203. *Introduction to Education.* This course is designed to provide the beginning student in preparation for teaching as a career with an overview of the characteristic features of the American educational system together with an orientation to the fields of education. Three hours a week, Spring Quarter. Credit: three hours.

Educ. 315. *Educational Psychology.* Designed to acquaint the student with the psychological principles demanded by successful classroom operation. Emphasis is placed upon the learning process as it is related to education. Three hours a week, Fall Quarter. Credit: three hours.

Educ. 303. *Tests and Measurements.* Designed to acquaint the student with the materials and methods available for analyzing student achievement. Standardized tests will be studied and students will be required to construct objective tests. Practice in scoring, interpreting, and recording data will be given. Three hours a week. Spring Quarter. Credit: three hours.

Educ. 311-P, 312-P, 314-P. *Methods of Teaching in the Primary Grades.* This course is designed to acquaint the student with the methods employed in the primary grades for the acquiring of necessary skills, habits, knowledges, attitudes, and appreciations. The principles, procedures, and materials of all areas of study in primary grades will be considered. Frequent observations of the procedures studied will be required. Three hours a week throughout the year. Credit: three hours a quarter.

Educ. 311-G, 312-G, 314-G. *Methods of Teaching in the Grammar Grades.* This course is designed to acquaint the student with the methods employed in the grammar grades for the acquiring of necessary skills, habits, knowledges, attitudes, and appreciations. The principles, procedures, and materials of all areas of study in grammar grades will be considered. Frequent observations of the procedures studied will be required. Three hours a week throughout the year. Credit: three hours a quarter.

Educ. 301, 302. *Child Development.* This course is designed to develop an understanding of the total development of human beings through the period of adolescence. Special attention is devoted to the course and

progress of physical, emotional, social, and intellectual development. Emphasis is placed on the problems of childhood and adolescence with special reference to the implications of development in the guidance of behavior and learning. Fall and Winter Quarters. Three hours each quarter.

Educ. 313. Curriculum Development. A course which considers the materials and organization of elementary school experiences in relation to child development. Special emphasis is placed on the integration of subject areas and the contribution of each to the total experiences of the elementary school. Practice is provided in outlining resource units and in lesson planning. Three hours a week. Fall Quarter. Credit: three hours.

Educ. 402. Philosophy of Education. This course seeks to aid students to acquire an insight into the progressive and conservative viewpoints in education. The principles of the various schools of thought in education are discussed. The need for an integrated philosophy of life and of education is emphasized. Three hours a week, Elective. Credit: three hours. (*This course may also be available during the Fall and Winter Quarters.*)

Educ. 411. Student Teaching. A preparatory course in student teaching which combines classroom management and observation in the elementary school with a consideration of some of the practical problems which confront the beginning teacher. This course includes group teaching and an introduction to and assumption of whole-room responsibility. Under the guidance of critic teachers, student teachers receive practice in teaching heterogeneous groups and groups formed on the basis of achievement. Experience is given in rural off-campus schools. Thirty hours a week, Fall and Winter Quarters. Credit: 12 quarter hours per quarter.

Educ. 412. Problems of the Teacher. This course follows the Student Teaching experience of the students. It is oriented towards the special problems which the student encountered in his student teaching with the view to providing additional techniques. Special problems such as the slow-learner, grouping of students in accordance with aptitudes, materials to be utilized, the gifted child etc. are considered. Three hours a week. Elective. Credit: three hours.

Educ. 413. Principles of Guidance. This course is designed to provide one with a knowledge of the meaning, purpose and aim of guidance. Attention is given to methods of investigation in guidance, methods of guiding students and the results of guidance. Special consideration is given to ways of improving guidance in elementary schools. Three hours a week. *Elective.* Credit: three hours.

Educ. 414. Mental Hygiene. A study of certain mental conditions as they disturb successful adjustment. Particular attention is given to normal and abnormal states of feelings and emotions, personality, defensive reactions, and sexual functions. Three hours a week. *Elective.* Credit: three hours.

Educ. 415. History of Education. A study of the history and development of educational theory and practices from primitive times to the present. Attention is given to the philosophers who have been responsible for educational method and procedure throughout the ages. Three hours a week. *Elective.* Credit: three hours.

Educ. 416. Rural Education. A course designed for teachers and prospective teachers in small schools. Special consideration is given to those problems which make teaching in rural schools different and difficult, with attention to the curriculum, modern teaching aids and environmental factors. Three hours a week. *Elective.* Credit: three hours.

Educ. 417. *Educational Sociology.* In this course the aim is to provide an overview of the interrelationships of educational practices and problems to the social milieu. The relationship of educational theory and practice to the needs of a highly dynamic society provide the major emphasis. Credit: three quarter hours. *Elective.*

Ed. 418. *Survey of Audio-Visual Materials and Methods.* A survey of audio-visual materials and methods, with instruction in the classroom use of films, filmstrips, recordings, radio, field trips, slides, bulletin boards, and other visual aids. Experience in the operation of the various machines will be provided. *Elective.* Credit: three hours.

Psy. 411. *Social Psychology.* The interrelationship of the group and the individual provide the frame of reference for this course. It is concerned with the nature of the individual, the group, and the culture, as they function as determinants in the development of human nature and personality. Credit: three quarter hours. *Elective* (prior courses in sociology or psychology are recommended but not required.)

ENGLISH LANGUAGE AND LITERATURE

Eng. 101. *Grammar and Composition.* An intensive review of English grammar and the fundamentals of writing, with attention being given to the organization of the paragraph and to paragraph types. Three hours a week. Fall Quarter. Credit: three hours.

Eng. 102. *Grammar and Composition.* A continuation of English 101, with stress upon outlines, organization, the formal business letter, and longer expository themes. Three hours a week. Winter Quarter. Credit: three hours.

Eng. 103. *Grammar and Composition.* A course devoted to a rigorous review of English grammar, to exposition and to narration, including conversation. A considerable portion of the time is given to the writing of themes. The major emphasis of the course falls upon themes that are firmly organized and are grammatically and rhetorically correct. Three hours a week. Spring Quarter. Credit: three hours.

Eng. 201. *Advanced Composition.* This is primarily a theme course with a review of grammar and the mechanics of writing. While the emphasis falls upon exposition, some attention is given to the conventional four forms of discourse. Three hours a week, Fall Quarter. Credit: three hours.

Eng. 202. *Advanced Composition.* A continuation of English 201 with stress upon some common types of writing including the investigative paper. Three hours a week, Winter Quarter. Credit: three hours.

Eng. 211. *Introduction to Literature.* A course designed for teachers in the elementary schools rather than for majors in English. Attention is given to selected English and American classics and to short stories, biographies, essays and periodicals. Three hours a week. Spring Quarter. Credit: three hours.

Eng. 212. *The Modern Essay.* A course that stresses wide reading in the modern essay. One aim of the course is to stimulate interest in the contemporary American scene. The writing of essays as well as the reading of them is required. Three hours a week. *Elective.* Credit: three hours.

Eng. 302. *Fundamentals of Speech.* A course designed to develop force and clarity in oral expression. In the main, the work is concerned with the improvement of the voice, the discovery and correction of speech defects and interpretative reading. Three hours a week, Winter Quarter. Credit: three hours.

- Eng. 303.** *Speech for Teachers.* A continuation of English 302 with considerable attention being given to parliamentary procedure and platform speaking. The course centers about the speech needs of the classroom teachers. Three hours a week. Elective. Credit: three hours.
- Eng. 313.** *Children's Literature.* This course offers opportunity for the reading, discussion and enjoyment of literature suitable for children of the elementary school. Critical evaluation of children's literature in relation to the needs and interests of children. Particular attention is given to visual and auditory aids. Three hours a week, Spring Quarter. Credit: three hours.
- Eng. 323.** *English Grammar.* A rigorous review of English grammar for public school teachers. Three hours a week. Spring quarter. Credit: three hours.
- Eng. 411.** *The Negro in American Literature.* A study of the principal works by and about Negroes. The course is developed as a segment of American Literature. Three hours a week. Elective. Credit: three hours.
- Eng. 412.** *Dramatic Techniques for the Elementary Teacher.* Part I—Emphasis upon the dramatization of scenes from literature and history. Part II—Selection, casting, rehearsing and staging of a dramatization from Part I. Recommended for all prospective elementary teachers. Three hours a week. Elective. Credit: three hours. (Laboratory fee).
- Eng. 413.** *Speech Development and Correction.* A course dealing with speech problems likely to be encountered by an elementary school teacher. Three hours a week. Elective. Credit: three hours. Laboratory fee required.

FINE ARTS

I. MUSIC

- Mus. 201.** *Music Appreciation.* This course is designed to acquaint the student with the history and development of music from early periods to our present day. Lectures, recordings and general readings are designed to present a large number of master works to the student. Special emphasis is placed on materials suitable for music appreciation in the elementary grades. Three hours a week. Fall Quarter. Credit: three hours.
- Mus. 202.** *Fundamentals of Music.* A course designed to enrich the students' musical experience and broaden their appreciation and understanding of music. Study of major and minor scales; notation; time, oral and written dictation; curing of monotones; sight reading of exercises and melodies. Three hours a week. Winter Quarter. Credit: three hours.
- Mus. 211, 212, 213.** *Class Piano.* This course is designed to provide enough keyboard facility to enable the student to play the accompaniments for children's songs and group singing. The course includes scales and easy keyboard technique. *Sophomore Elective.* Two hours a week. Credit: one hour a quarter.
- Mus. 303-P.** *Music Education for Primary Grades.* This course introduces methods and materials used to develop music in the primary grades. Rote songs; care and development of the child's voice; treatment of monotones; singing games; folk dances; practice teaching during class periods. Three hours a week. Spring Quarter. Credit: three hours.
- Mus. 303-G.** *Music Education for Grammar Grades.* A course introducing methods and materials used to develop music in the intermediate grades. Rote songs, music appreciation, rhythmic development and care of the child's voice. Practice teaching during class period. Three hours a week. Spring Quarter. Credit: three hours.

Mus. 311, 312, 313. *Class Piano.* A second course, continuation of Music 211, 212 and 213. Junior elective. Two hours a week. Credit: one hour a quarter.

Mus. 411. *Advanced Music Education.* Student teachers will receive practice in teaching music to children in the various grades. For seniors only. Prerequisite: Music 103, 202, and 301 or for transfer students the equivalent. Credit: three hours. *Elective.*

Mus. 413, 414, 415. *Class Piano.* A study of more advanced keyboard technique, sight reading and memorization of simple repertoire, and a study of elementary harmony, which includes scales, intervals, chords, and the harmonization of melodies and basses with simple inverted triads. Prerequisite: Class Piano 211, 212, 213, and 311, 312 and 313 or equivalent. Two hours a week. *Senior elective.* Credit: one hour a quarter.

NOTE: Since there is such a great demand for elementary teachers of music, those students who can play the piano and expect to be employed as a music teacher, must study piano for a year or take an examination for an adequate recommendation.

II. ART

Art 203. *Drawing and Perspective.* A course in elementary drawing and perspective. Foreshortening and perspective are introduced by the use of scenery, plants and buildings. The study of color and color harmonies is made by the use of charts and applying colors to designs. A chart of single stroke lettering is made. Media: pencils, water-color, brushes, pens, India ink, rules, scissors, paste, compasses, paper, charcoal, bogus, unprinted news, construction, poster, oak-tag, and card-board. Four hours a week. Fall Quarter. Credit: three hours.

Art 301. *Arts and Crafts for Elementary Schools.* This course offers experience in the making of useful articles that are suited for elementary grades, such as book-ends, note pads, season cards, clay models, block prints, etc. Hand and hand loom weaving are taught with emphasis on the use of inexpensive and native materials. Materials: wood, clay, card-board, cloth, oil cloth, paper, metal, tools and paints. Four hours per week. Fall Quarter. Credit: three hours.

Art 303. *Art Appreciation.* The study of the progress of the arts in America; also a survey of the outstanding art through the ages as depicted in paintings, architecture, sculpture and the minor arts. Spring Quarter. Three hours per week. Credit: three hours.

PRACTICAL ARTS

I. HOUSEHOLD ARTS

H.A. 101. *Clothing Clinic.* A course designed to aid students in the planning, purchasing, and caring for a wardrobe. Fall Quarter. Three hours a week. Credit: two hours.

H.A. 103. *Elementary Clothing.* This is a course dealing with units based on choosing and altering commercial patterns and construction of simple garments. Spring Quarter. Three hours a week. Credit: two hours.

H.A. 104. *Advanced Clothing.* Emphasis will be placed upon the use of different fabrics and finishing techniques in the construction of clothing. Elective. Three hours a week. Credit: three hours.

H.A. 102. *Nutrition Education for the Elementary Teacher.* Emphasis is placed on the need for exercising sound judgment in the selection of a well-balanced diet, stressing the use and importance of the "Basic Seven Food Groups", and types of nutrition education experiences for the elementary grades. Winter Quarter. Three hours a week. Credit: three hours.

H.A. 414. *Food for the Family.* A study of the selection, care, cost and uses of foods; the planning, preparation and serving of well-balanced meals for the family as affected by such factors as age, sex, activity, bodily characteristics and health status. Planning for the use of food in family hospitality and on special occasions included. Elective—Juniors or Seniors. Three hours a week. Credit: three hours.

H.A. 415. *Problems in School Lunchroom Management.* This course offers an opportunity for the study of ways of establishing good food habits, the training of food service personnel in sanitation, and the use and keeping of records. Elective—Juniors and Seniors. Three hours a week. Credit: three hours.

II. INDUSTRIAL ARTS

I.A. 101, 102, 103. *Shop Work.* A course designed to enable students to become better schoolkeepers, better school teachers and home-makers. The student learns the names and uses of the various tools and is trained in designing and making useful articles for school and home. Training is also given in making common and necessary repairs about school and home. The economic aspect of manual arts is given ample consideration. The student is also taught vocational drawing in connection with projects to be made. Four hours a week throughout the year. Credit: two hours a quarter.

I.A. 411. *Advanced Industrial Arts.* A course designed to give intensive training in industrial arts education for the elementary school. Students will be permitted to receive practice in teaching industrial arts to children in the elementary grades. Prerequisite: I.A. 101, 102, 103. Elective. Four hours a week. Credit: two hours.

SOCIAL SCIENCE

Hist. 101, 102, 103. *History of Western Civilization.* A comprehensive survey of the origins, development and diffusion of Western Civilizations including a brief survey of prehistoric and ancient civilizations as the background for the interpretation and understanding of western thought and culture. The course is offered with a view toward creating an interest in and appreciation for contemporary political, economic, social and cultural institutions and movements. Three hours a week throughout the year. Credit: three hours a quarter.

Hist. 201. *United States History I.* A study of the political, social and economic forces effective in developing the United States from its background in Western Europe through the Jacksonian Era. A study of the impact of the natural forces on the development of the United States is also included. In the treatment of the Colonial period through emergence of the new Nation, North Carolina is given special emphasis. Three hours a week. Fall Quarter. Credit: three hours.

Hist. 202. *United States History II.* This course includes territorial expansion, the rise of sectionalism which culminated in the Civil War, the Re-

construction period, and the final emergence of the United States as a world power. North Carolina history from her ante-bellum period through her reconstruction is included. Three hours a week. Winter Quarter. Credit: three hours.

Hist. 203. *United States History III.* This course includes a study of twentieth century United States through the Korean conflict. Recent and contemporary North Carolina history is integrated with the history of the rest of the country. Three hours a week. Spring Quarter. Credit: three hours.

Govt. 202. *American Government.* An introductory course in American Government, reviewing briefly the historical background and purpose of political society, with emphasis on the structure and activities of the American system, Federal, State, and Local. The major aims of the course are to develop politically well informed, loyal, and civic minded citizens. Three hours a week. Winter Quarter. Credit: three hours.

Hist. 411. *International Relations.* A study of the present national policies of the powers whose influence is dominating in international relations, with an attempt to interpret these policies in the light of their basic factors, economic, ethnic, geographic, and historic. Special consideration will be given to causes and effects of war, postwar and reconstruction problems and difficulties attendant upon attempts to establish and insure permanent organized peace. Three hours a week. *Elective.* Credit: three hours.

Geog. 101. *Principles of Geography.* Consideration of some elements of earth sciences, the geographic relationship, and a general survey of the interaction between man and his physical environment. Three hours a week, Fall Quarter. Credit: three hours.

Geog. 102. *World Geography.* A general study of the distribution of production and consumption of the principal articles of commerce, with an analysis of the geographic basis of commerce. Three hours a week, Winter Quarter. Credit: three hours.

Geog. 103. *Regional Geography.* The course describes the regional distribution of the world's resources, industries, and population. It analyzes the distribution and comparative importance of manufacturing, mining, forestry, agriculture, and trade in relation to such factors as power resources, raw materials, climate, landforms, centers of population, and world trade routes. Special emphasis is placed upon those regions which are of special interest to the United States in the post-war world. Three hours a week. Spring Quarter. Credit: three hours.

Econ. 201. *Current Economic Problems.* A study of some of the present-day economic problems such as labor problems, insurance and social security, problems of agriculture, and taxation are considered. Three hours a week. Fall Quarter. Credit: three hours.

Econ. 411. *Consumer Problems.* The economics of personal and family consumer problems with emphasis on the improvement in the choice and purchasing of economic goods and services, and, thereby, raising the individual and family standard of living. Attention will be given to the ways by which financial security may be enhanced through insurance and investments. *Elective.* Three hours a week. Credit: three hours.

Soc. 301, 302. *Social Problems.* This course deals with the problems of the social order, how they arise and possible solutions. Three hours a week. Winter and Spring Quarters. Credit: three hours per quarter.

Soc. 411. *Inter-Group Relations.* This course is designed to acquaint the student with the origins, structure and implications of variant group identification primarily in the United States. Special attention is focused on minority group problems in social organization growing out

of minority-majority identification. Proposed techniques for the amelioration of inter-group misunderstandings are considered. *Elective*. Credit: three quarter hours. (Prior courses in sociology are recommended though not required).

Soc. 412. *Marriage and Family Relationships.* A course covering the major considerations in marriage—i.e.—mate selection, courtship, reproduction, etc. Emphasis is placed on the development of necessary viewpoints mandatory for successful and stable marital life in a dynamic society. Credit: three quarter hours. *Elective*.

Soc. 413. *Sociology of the Family.* This course analyzes in some detail the institutional structure of the family, with emphasis placed on parental roles and parent-child relationships. Attention is given to the changing character of American family life and the relationship of the family to other societal structures. Credit: three quarter hours. *Elective*.

Soc. 414. *Urban Sociology.* A study of the growth, development and nature of cities in American society with emphasis placed on urban institutions and the nature of personal relations in the urban environment. Credit: three quarter hours. *Elective*. (Prior courses in sociology are desirable but not required).

Soc. 415. *Criminology.* This course covers the nature of crime; selective statistics of criminal behavior; theories with regard to the nature of the criminal; and the causes or conditions of criminal behavior. Attention is focused on the juridical and penal systems in reference to the treatment of criminals. Credit: three quarter hours. *Elective*.

Soc. 418. *Comparative Religions.* A survey of the history, creed, and doctrines of the world's major religions and the sacred writings pertaining to them. *Elective*. Three hours a week. Credit: three hours.

SCIENCE AND MATHEMATICS

NATURAL SCIENCE

Biol. 101, 102, 103. *Biology.* A study of the life history, structure, ecology, and economic influence of selected plant and animal types. Definite effort is directed toward the application of biological concepts to the life of the individual and community. The course aims to give such mastery as may be required for liberal education or as a foundation for further specialized study. Lecture-discussion, two hours; laboratory, two hours. Credit: three hours each quarter.

Biol. 113. *Principles of Anatomy and Physiology.* A course dealing with the structure of animals with particular reference to the construction and functions of the parts of the human body. Especial attention will be focused upon the organization and properties of the various organs and tissues with particular attention being placed upon the normal and healthy functioning of the body. Lecture-discussion, two hours; laboratory, two hours. Credit: three hours. *Elective*. (For students desiring to transfer from the Teaching curriculum to one of Nursing, Medicine, or allied fields this course would prove to be of value as a prerequisite to these fields.)

Sci. 201, 202, 203. *Physical Science.* A general survey of the nature of matter and forces operating in the universe, with special emphasis upon fundamentals of astronomy, chemistry, physical geography, and physics. A foundation for understanding the place of physical science in everyday life. Two hours group discussion and two hours demonstration a week, throughout the year. Credit: three hours a quarter.

Chem. 201, 202, 203. *Chemistry.* A course covering the fundamental principles of chemistry. The work of the course considers the general properties of matter, chemical and physical changes, the fundamental laws

governing these changes, the important gaseous, non-metallic and metallic elements, their properties, reactions and uses. Two lectures and two double laboratory hours per week through three quarters. *Elective*. Credit: four hours.

Math. 201. *General Mathematic I.* The general purpose of this course is to enrich the basic skills involved in arithmetic. Emphasis is placed upon a thorough understanding of fundamentals useful in teaching. Includes arithmetic fundamentals from an advanced standpoint, mensuration, figures, formulas, equations, practical and applied problems. Three hours a week, Fall Quarter. Credit: three hours.

Math. 202. *General Mathematics II.* A course designed as a review of the basic elements of algebra and geometry essential for elementary school teachers. Three hours a week. Winter Quarter. Credit: three hours.

HEALTH AND PHYSICAL EDUCATION

Physical Ed. 101, 102, 103. *Physical Education.* This course is designed to teach games of all types. Individual contests, mass and small group contests, combative, relays and loosely grouped team contests with both indoor and outdoor application are presented. Required. Two hours a week each quarter. Credit: one hour each quarter.

Physical Ed. 111, 112, 113. *Physical Education Skills.* An analysis of technique and skills. Emphasis is placed on the practice of fundamentals as related to team and individual play from the standpoint of teaching as well as personal skills. Leadership technique, improvisation, and various self-testing activities are taught. (Minors in Physical Education). Four hours a week each quarter. *Elective*. Credit: two hours each quarter.

Physical Ed. 203. *Advanced Games and Sports.* This course deals with a review of low and high organized team and individual games. Analysis of rules, techniques strategy, and theories of play. Required. Three hours a week, Spring Quarter. Credit: three hours.

Physical Ed. 213. *Gymnastic Skills, And Calisthenics.* This course is designed to offer a selection of a wide range of free-hand, wand, Indian club, skipping rope, and dumbbell exercises, and is presented for the purpose of providing a working knowledge of materials for use in corrective work, demonstrations and general conditioning purposes. An attempt is made to teach skills in tumbling, formal and informal gymnastics. (Minors in Physical Education.) Three hours a week, Spring Quarter. Credit: three hours.

Physical Ed. 311, 312, 313. *Coaching, Officiating, And Practicum in Physical Education.* This course is designed to provide observation of coaching techniques and methods. The theories of coaching and teaching, types of offenses and defenses and styles of team play are covered in the major sports. Assignment to physical education classes as student instructors in practical teaching and assisting is included in coaching and officiating of games and sports. (Minors in Physical Education). Two hours each quarter. *Elective*. Credit: one hour.

Health Ed. 301. *Principles, Practices And Procedures In Health Education.* This course is designed to give study to the fundamental principles upon which health is based. Materials and methods of teaching health to elementary school children are studied along with health texts, pamphlets and charts appropriate to varying age levels. Preparation for student teaching in this field is accomplished. Required. Four hours a week, Fall Quarter. Credit: three hours.

Physical Ed. 302. *Principles, Practices And Procedures In Physical Education.* A study of the principles of physical education with participation in games, calisthenics, plays, pageants and other activities appropriate

to the elementary school level. Students are encouraged to make collections of materials which may be useful in their own teaching. Required. Four hours a week, Winter Quarter. Credit: three hours.

Health Ed. 403. *School And Community Hygiene.* A study of the fundamental principles of sanitary science and disease prevention and their application to water supply, milk and general food supply, sewage disposal, school sanitation, and the general problems which deal with control of infectious diseases. Required. Spring Quarter. Three hours a week. Credit: three hours.

Health Ed. 411. *First Aid And Safety.* Lectures and practice in standard first aid. Red Cross first aid methods are studied and participated in by all students. The development of proper attitudes, habits and knowledge of safety in the home, school, general environment, and in sports activities is attempted. *Elective.* Fall Quarter. Three hours a week. Credit: three hours.

Physical Ed. 412. *Folk And National Dances.* This course includes the study of folk and national dances suitable for elementary schools with emphasis on their historical and ethnic significance. *Elective.* Spring Quarter. Two hours a week. Credit: one hour.

Physical And Health Education 413. *Organization, Administration And Supervision Of Health And Physical Education.* This course deals with the administrative relationships and procedure in the conducting of school health and physical education programs. Differences between organizing, administrative policies, state responsibility, including staff organization, lines of authority and the patterns that exist in national, area, and local levels are discussed. (Minors in Physical Education). Winter Quarter. Four hours a week. *Elective.* Credit: three hours.

H. Ed. 415. *Recreation.* A course in the study of the profitable use of leisure time—hobbies, activities and games suitable for children as well as adults. *Elective.* Credit: three hours a week.

THE LABORATORY SCHOOL

The Newbold Training School, named in honor of Dr. N. C. Newbold, formerly State Director of Negro Education, is the campus laboratory school. It has twenty classrooms, two practice rooms, a cafeteria, library, teachers' lounge, principal's office, clinic room, and an auditorium. It houses about 700 elementary school children. There are 18 teachers all of whom are supervisors of student teaching.

There is opportunity for work in directed teaching from the first grade through the eighth grade. Students enrolling in the course in directed teaching are assigned to one of the supervising teachers. The program as a whole is coordinated by the Dean of the College and the principal of the school. Every effort is made to give students the opportunity to deal with all aspects of classroom management, curriculum planning, study of individual children and other areas of responsibility which the prospective teacher will face in the field. The student teacher is led through observation and participation to the teaching of small groups; from group teaching to accepting whole-room responsibility.

The student teacher attends professional meetings with the critic teacher and is present at faculty meetings. Experience in community relations is gained through work with the school P.T.A. and school clubs.

The opportunity to observe and teach in other city and county schools is granted through the courteous cooperation of Superintendent C. Reid Ross of the Fayetteville City Schools, Superintendent F. D. Byrd of the Cumberland County Schools, Mrs. Mae Rudd Williams, Supervisor of the Cumberland County Schools, and Miss Theresa Callendar, Supervisor of Fayetteville City Schools. This gives the student an excellent chance to observe and work with pupils in different situations.

The program of student teaching at Fayetteville is organized with a view to the realization and development of efficient teachers for the elementary schools of North Carolina who will have desirable personal characteristics, efficient teaching skills, and professional enthusiasm.

SUMMER SCHOOL

In addition to the service rendered to students in residence during the regular session, the College also contributes materially to the educational development of teachers already in the service of the State, through its summer school. Summer school courses are taught by regular members of the College faculty. Summer school courses vary in content and method from the same courses as taught in the regular session only when such variation seems advisable in view of the specific needs of a particular class. College

credit for these courses is granted, subject only to a few reasonable and necessary restrictions and regulations.

It is to be specifically noted that credit for summer school courses is computed in terms of *semester hours*, and not *quarter hours*, as is the case with regular session courses.

THE SUMMER SCHOOL

WHO MAY ATTEND

The summer school is designed to fit the particular needs of the following types of students:

1. Holders of the following certificates:
 - a. Elementary A and B.
 - b. Primary A, B, and C (Renewal and college credit for Primary A).
 - c. Grammar A, B, and C (Renewal and college credit for Grammar A).
2. College students seeking additional college credits.
3. Holders of Class A Certificates desiring to work toward renewal of present certificates.
4. Holders of any of the above-named certificates desiring to work for the bachelor's degree.
5. Special Students:
 - a. High school graduates desiring college credits.
 - b. Students transferring from liberal arts colleges and desiring certain required subjects obtainable in a teachers college.
 - c. Students who need graduate school deficiencies removed.

FEES AND EXPENSES

Registration fee	\$ 2.00
*Tuition	30.00
Board and lodging, payable in advance.....	50.00
Library fee	1.00
Laboratory Fee, for each science course.....	2.00
Tests and Measurements fee.....	2.00
Custodial and service fee, nonboarders.....	4.00
Late registration fee, payable after the second day.....	1.00
Medical fee	1.00
Fee for extra courses, per semester hour (Open only to those with prior high scholarship, and who maintain an average of 90 %).....	5.00
Fine Arts Fee.....	1.00
Industrial Arts Fee.....	1.00
Speech Laboratory Fee.....	1.00
Graduation and Diploma Fee.....	10.00
Supplies	5.00
Books.....	15.00
Student Activity Fee.....	0.50
*Additional Out of State Tuition Fee.....	10.00

NO PERSONAL CHECKS ACCEPTED. Certified checks and money orders are accepted substitutes for currency.

All fees are payable in advance.

REFUNDS

Within ten days from date of entrance refunds of fees and charges will be made in proportion to the time spent at the College. However, registration fees are non-refundable after a student completes registration. Except for service fee, room and board and payments for ensuing sessions, no fees are refundable to a student withdrawing later than ten days from date of entrance. Students who withdraw from the college without notice to or permission of college authorities may forfeit all refunds.

REGULATIONS

RESIDENCE AND CONDUCT

Students not residents of Fayetteville, desiring to live off the campus, must write in advance for permission to live in an approved home.

Students not yet in the teaching profession are under the same rules and regulations as during the regular session.

Students who are in the teaching profession are expected to conduct themselves as ladies and gentlemen, and in a manner to reflect credit upon Fayetteville State Teachers College and upon the teaching profession.

COURSES AND SUBJECTS

The courses offered in the summer school are those required or recommended by the State Department, together with offerings from the College's curricula. All courses count toward college graduation for those who have matriculated for the bachelor's degree. Courses should be chosen with the advice of the Director, and in compliance with the requirements for higher certificates and the bachelor's degree. Care must be exercised not to duplicate subjects previously taken.

SPECIAL INFORMATION FOR PERSONS SEEKING CERTIFICATION OR DEGREES WHOLLY OR PARTLY THROUGH SUMMER SCHOOL AND EXTENSION

In-service teachers, normal school graduates, or others who wish to satisfy degree or certification requirements wholly or in part through summer school work are requested to present transcripts at the Records Office and inquire upon registration concerning special regulations governing each of these special categories. Failure to do so may result in time lost in taking the necessary requirements.

IMPORTANT NOTICE

The statements and regulations printed in this catalog are based on practices in effect during the current school year and upon those anticipated for the succeeding school year. The College reserves the right to change regulations or policies governing admission, instruction, fees, graduation, or any other regulation or policy affecting students, whenever it is deemed advantageous to the welfare or progress of the institution to do so. Such changes shall become effective at whatever time is specified by the College authorities, and shall apply both to prospective students and to students already enrolled.

WILMINGTON COLLEGE CENTER
OF THE
FAYETTEVILLE STATE TEACHERS COLLEGE
WILMINGTON, NORTH CAROLINA

The Fayetteville State Teachers College with the cooperation of the New Hanover County Board of Education, conducts an off-campus College Center in Wilmington, North Carolina. The Center is operated in the building of the Williston Senior High School. The library and library facilities of the High School are used by the Center. While the Center is conducted primarily to take care of the large number of veterans who would not otherwise be able to take college work, any student who is a graduate of an accredited high school may attend.
